How did you hear about the race?

I know that running/walking is a potentially hazardous activity. I agree not to enter and run/walk unless I am medically able and properly trained. I agree to abide by any decision of an event organizer relative to my ability to safely complete the run/walk. I assume all risks associated with running/walking in this event, including, but not limited to: falls, contact with other participants, the effects of the weather, course conditions, all risks being known and appreciated by me. Having read the waiver and knowing these facts and in consideration of your accepting my entry, I, for myself and anyone entitled to act on my behalf, waive and release Delta Delta Alumnae Association (DDAAA), The University of Kansas Hospital, and The University of Kansas Medical Center, RRCA, Corporate Woods, the City of Overland Park, KS, the OPPP, and all sponsors, their representatives and successors, from all claims or liabilities of any kind arising out of my participation in this event even though that liability may arise out of negligence or carelessness on the part of the persons and entities named in the waiver. I grant permission to promotional purpose. I understand that no baby joggers, roller skates, dogs, skateboards, or motorized vehicles are allowed on the course.

## THE KU KIDS HEALING PLACE

[www2.kumc.edu/kids/healing-place.htm](http://www2.kumc.edu/kids/healing-place.htm)

The KU Kids Healing Place at The University of Kansas Hospital provides inpatient and outpatient services to meet the physical, psychological, social, educational, and spiritual needs of children who have:

- Chronic illnesses (illnesses that last three months or longer)
- Life-limiting conditions
- Parents or other family members with serious illnesses

The KU Kids Healing Place provides a range of services to address the unique and individual needs of infants, toddlers, children, and adolescents. The center works with families to identify and address needs in all environments, including home, school, day care, and extracurricular activities.

Services can be provided at any stage of illness. Our specialty-trained team:

- Helps families identify and access needed resources
- Offers training and support to families, health care providers, teachers, peers, coaches, and others
- Brings medical providers and families together to create a patient-centered care plan
- Provides spiritual and emotional support to patients and families
